The Honorable Roy Cooper  
North Carolina Attorney General  
North Carolina Department of Justice  
114 Edenton Street  
Raleigh, NC 27602

Dear Attorney General Cooper,

As you may be aware, in light of President Obama signing the Patient Protection and Affordable Care Act into law Tuesday, thirteen Attorneys General across the country plan to file suit on behalf of their citizens to protect against the unprecedented and unconstitutional overreach by the federal government. I am writing to encourage you to join this suit or initiate similar litigation on behalf of the citizens of North Carolina. I think you will agree protecting the Constitution is not a partisan issue. Your affirmative action will make it clear to North Carolinians that their elected officials are doing everything in their power to ensure that individual rights are being protected and freedoms are being safeguarded at the state level.

Sincerely,

A handwritten signature in black ink that reads "Phil Berger".

Philip E. Berger
