Republican Frank Roche to file his candidacy for Congress

Apex, NC – February 5, 2010: Frank Roche will be filing his candidacy for North Carolina's 4th District U.S. Congressional seat at 12 noon on Monday, February 8th.

Concerning the official kick-off of his campaign, Frank stated, "The campaign to defeat longtime liberal Democrat David Price officially begins. I look forward to reaching out to voters with a common sense message. My candidacy and subsequent actions in Congress will focus on fiscal responsibility, reigning in our national debt, assuring our national security is no longer compromised and most of all respecting the limits imposed on government by the U.S. Constitution."
